

ACCESSORIES

There is a critical difference in the properties of liquid propane gas (LPG) and natural gas (NG). For your safety, it is highly recommended that local building codes be checked before beginning your construction.

EASYCHEF™ OUTDOOR COOKING SYSTEMS

Empire EasyChef Grilling System - EEGS

Designed to provide quick, balanced heat and grilling surface temperatures over a wide operating range.

Stainless Steel Cooking Grids and Warming Rack

Welded solid 304 stainless steel rod, the optimum cooking surface. Both the EC30 and EC24 provide generous cooking areas. Limited lifetime warranty.

Self Cleaning Ceramic Briquettes

Minimizes flare up and maximizes heat distribution by absorbing and radiating heat evenly across the cooking surface.

Cast Brass Burners

Cast Brass "H" burner. Rust free, clean burning, provides a wide range of cooking temperatures. Limited lifetime warranty. The duel configuration and controls allow for searing temperatures on one side, while the other side handles more delicate foods. Reaches searing temperatures in approximately 10 minutes.

Electronic Ignition

An electronic multi spark ignitor will start your grill quickly and easily, just like your kitchen stove. It comes with a longer than normal 3 year warranty. A standard AA battery is provided with each grill.

Built Thermometer

Your assistant for reliable temperature control.

Multiple Installation Flexibility

A full range of installation options, select the one that best suits your needs.

Optional Accessories

Side Burner, Easy Smoker Tray, Rotisserie Kits, Covers & a Griddle

MOUNTING OPTIONS

With the lowest price point in its class, the grill's chassis and critical components are constructed of a commercial quality brushed stainless steel. Fully welded construction guarantees years of trouble free operation and comes with a limited lifetime warranty. Head and carts are fully assembled in the box. Available in two sizes, the EC24 with 488 sq. inches total cooking area and the EC30 with 638 sq. inches total cooking area. Both models can be fitted with a rear rotisserie burner, an Empire Products unique design and constructed entirely of stainless steel. Available in LP or Natural Gas.

A Full range of installation options, select the one that best suits your needs. With just a few nuts and bolts an Easy Chef grill head can easily be installed onto the mounting option of your choice.

DELUXE CART

Stainless steel welded construction with doors, stainless steel side shelves. Wheels and casters make it easy to move anywhere.

PROMOTIONAL CART

An enclosed, welded, stainless steel cart. Stainless steel side shelves. Wheels and casters make it easy to move.

PEDESTAL CART

A contemporary design stainless steel pedestal style base with wheels and casters. Stainless steel side shelf, stainless steel handle.

PATIO BASE

Stainless construction, stainless steel side shelves.

BUILT-IN PREMIER ONLY SERIES

IN-GROUND PERMANENT POST

5 inch x 6 inch Stainless steel post, stainless steel side shelves.
